A MESSAGE FROM YOUR PRINCIPAL, MAGENDA CRUZ

Dear Davis Tigers,

Welcome to Week 11 of Distance Learning! Last week, we had an overall attendance rate of 89.5% over five days, with a high of 90.8% on Wednesday. Make sure you continue to sign in on time to your class before going to PE, Music, or Read180.

OUR PBIS focus of the week will be attending all virtual sessions during the day.

NOVEMBER DREAMBOX CHALLENGE

In order to make progress on Dreambox, students need to complete 5-8 lessons per week. For our Dreambox Challenge, students who complete **8** lessons per week will be entered into a special drawing at the end of the month. Students can earn one entry per week; the more weeks you meet the Challenge goal, the more entries! Stay tuned to hear what prize you can win!

ATTENDANCE EXPECTATIONS

It is critical that your student logs onto their Google Classroom by 8:15 a.m. each day in order to receive their academic instruction and be marked present. Parents of students who have not logged in by 8:30 a.m. will receive an automated phone call. Please support Distance Learning at Davis by encouraging your students to be ready and logged into their devices.

While students who sign in later in the day will be considered absent, we encourage your students to sign on and complete their work nonetheless to keep up with the instruction being delivered during the day.

If your child is absent, please call (209) 953-8301 and provide the following information:

1. **Student's name (last name first)**
2. **Teacher's name and/or room number**
3. **Reason for absence (illness, family emergency, medical appointments, etc.)**
4. **Caller's name and caller's relationship to student (parent, guardian, etc.)**

DISTANCE LEARNING BEST PRACTICES

To check on your students Google Classroom and work load, you must be logged into your student's Google Classroom. Your student's login and password can be found on their Student Information Sheet or you can contact the school. You can also contact your student's teacher for routine updates, or sign up for the Remind or Classroom Dojo apps.

- Try to have a specific place, that is quiet and comfortable, to use every day for joining the live classes
- Keep your paper, notebook and other school supplies in this same space
- Close unneeded applications on your device to keep your video working best
- In order for your teacher and classmates to see you, set up your device so that you are facing a light or window. You want the light shining on your face (not behind you)
- Keep your camera on during the live class. (If you cannot have your camera on, send your teacher a message to let him/her know)
- Keep your microphone on mute while others are speaking. Use the reaction and participation icons to participate while your mic is off.
- Use a headset with an external mic for best hearing and speaking, if possible
- Remember that the “chat box” is public and a record of the chat is kept.
- Be aware of your surroundings. Your teacher and classmates can see behind you.
 - Remember that this is school! Be sure to only engage in school appropriate behavior and attire.
- Follow the Davis Elementary Distance Learning PBIS Matrix.
